Be consistent.—Hon. Thad. Stevens stated, in his speech at Lancaster, that "whoever is governed by the laws has a right to make them." This is all we ask. Let the South, then, have its proper voice in legislation. They pay customs; they are summoned on Federal juries; they are assessed and levied upon by Federal revenue agents. Taxation and representation are inseparable.

[National Intelligencer.]

The King of Denmark is said to have ordered an examination of large tracts of land recently purchased in Florida, with a view of sending forward a large number of emigrants.

MILLS BURNED.—The Arlington Cotton Mills, at Lawrence, Mass., which employed 150 hands, were destroyed by fire on Tuesday. Loss \$150,000.

A NEW AND GRAND EPOCH IN MEDICINE.—Dr. Maggill is the founder of a new medical system! The quantarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specialties of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggill's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggill's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggill's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite and render the spirits light and buoyant. There is no griping and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggill's Salve. In fact, it is here announced that Maggill's Pills, Dyspepsia and Diarrhea Pills cure where all others fail. While for burns, scalds, chilblains, cuts and all abrasions of the skin Maggill's Salve is infallible. Sold by J. Maggill, 11 Pine Street, New York, and all druggists, at 25 cents per box. Very Desirable Farm and Residence at Private Sale!

GREENVILLE, S. C.

THAT very beautiful and desirable place, formerly owned and improved by Robert Stewart, Esq., of Newberry, and now owned by Messrs. Klineck & Wickenburg, of Charleston, is offered at private sale. It contains one hundred and forty-four acres, fifty of which are cleared, and well adapted to the culture of corn, wheat, rye, oats, potatoes and other provisions, and is located at the junction of the Pendleton and White Horse Roads, three miles from the Court House, at Greenville, S. C., to which place there is a fine, dry and level road. The dwelling is beautifully situated, with a fine mountain view. It has ten rooms—eight of them with fire-places—three piazzas, pantries, airy passages and other conveniences. On the premises are excellent kitchens, servants' houses, wash and ironing rooms, smoke-house, dairy, dry well twenty feet deep, pump, and cistern, and from the bottom, with brick house over it; barns, stables, cow-houses and every other necessary out-building, all in good repair; also, a cistern containing twelve thousand gallons, with unfailing water supply, and a bold spring of cold water near the residence.

The orchards contain more than a thousand trees of the finest varieties of peaches, apples, pears and plums, and there are a number of flourishing arbors of grapes, including the Isabella, Catawba, Bland, Madeira and Scuppernon, on the place; also, a fine stock of strawberries, raspberries and other small fruits.

The ornamental grounds about the house are extensive and beautifully laid out, and are profusely supplied with rare and beautiful evergreens, hedges, roses and shrubbery and other choice plants.

Altogether, the place presents very superior advantages for a pleasant, healthful and convenient residence, and such an one as is seldom offered in the market.

The terms, both as to price and time of payment, will be made very liberal, and may be ascertained, together with any further information, upon application to C. J. ELKOID, Attorney at Law, Greenville, S. C., or to Messrs. KLINECK & WICKENBURG, Charleston, S. C. Aug 21 tu
